

WS100 WiScope

Wi-Fi Inspection Camera

The revolutionary WS100 WiScope Inspection Camera makes the inspection of hard to reach areas simple. By easily connecting to any Android phone, iPhone or iPad, its internal wi-fi network eliminates the need to be right next to the area being inspected. Just take a photograph or make a recording for future analysis and permanent record of the inspection.

Features / Benefits

- High speed Wi-Fi network
- High definition camera (720p)
- 8.5 mm diameter scope probe
- Waterproof camera and probe
- Integrated LED light (1W)
- Integrated phone holder
- Android and iPhone apps easily downloaded
- Hook, magnet and mirror attachments included
- 3 ft. camera probe included (p/n WSC3)
- Carrying case included

Applications

- Inspection of HVAC, refrigeration and plumbing installations
- Recording of intermittent system problems
- Heat exchanger inspection
